

THE GALLERIES AT MOORE

TOUR REQUEST FORM

Visits to The Galleries inspire students to engage with modern and contemporary art and culture and learn visual literacy. Our inquiry based tours, led by students in Moore's Curatorial Studies program, complement PA state curricula, promote critical thinking and language arts skills, and encourage self-expression in observing and analyzing art.

Group tours are available during The Galleries' public hours, Monday through Friday 11 am – 5 pm and Saturday 11 am – 5pm.

Pre and post-visit exhibition materials and lesson plans are available for all exhibitions and are available to download under the Resources for Teachers section of our website.

A minimum of two-weeks notice is required for all group reservations. A confirmation will be emailed to you with the date and time of your tour. We will try our best to accommodate your tour request date and time. In the event that the times you requested are full, a member of The Galleries' staff will contact you to make other arrangements.
